1-7/8in Diameter Total Length
Tip to Tip: 1-3/4in
Steam: 1-1/8in
Dual Intensity

p/n: 5302-29

1.85 ROUND Direct base

Tail light retroz

Our retros are so bright that there is no need to change your stock lens! These lights are made with white Boards similar to the flexible array boards so they will look phenomenal with a clear lens. The retrokitz are not DOT approved. Use of the turn signal option may result in the need for a load equalizer

LED Retro Kit for V-Star/Road Star
