

Sniperz turns

A pair of chrome billet turn signals made in a sleek compact design with Radiantz LEDs so you have a small pair of turn signals with big lights. The turn signal stems are .5in long and width of the light housing is 1.3in and the total length 1.85in. These are made with the wires coming out of the handle.

Choose a Red 16 LED pair or a Amber 16 LED pair
Choose to have a red lens with the red LEDs or amber lens with the amber LEDs or get the red LED or the amber LEDs with the clear lens.
