

Roachez Accent lighting kit

Roachez are our patented flexible array incased in a weather proof housing and 3m double sided tape on the back. A new feature on the Roachez is the **6 feet of wire** so you have plenty of wire and them some and 5 feet of shrink tube on the wire. These Roachez are more flexible then before and they are ideal for accent lighting on bikes.

We have put together a kit of 60 LEDs made from Qty. 2 9in flexible LED strips and Qty. 8 1.5in flexible LED strips. Wiring kit comes with 2 WAGO Cage Clamps, zip ties, fuse, fuse holder, 2 battery connectors, and a push button switch.
